SGIS Mission Statement

The School of Global and International Studies in the College of Arts and Sciences at Indiana University provides opportunities for global and international education for all students, preparing them in the global competencies of the 21st century.

The School will serve an economically, culturally, and generationally diverse student body, offering unparalleled access to faculty expertise and opportunities for deep knowledge, historical perspective, language proficiency, cultural competency, and advanced qualitative and quantitative methodologies needed to live,

CeLTIE Mission Statement

The Center for Language Technology and Instructional Enrichment (CeLTIE), which oversees the Language and Computer Labs, aims at providing leadership and technological expertise to support excellence in language teaching, learning, and research at Indiana University. Through strategic implementation of technology and professional development, CeLTIE strives to create a cutting-edge language educational environment in fostering faculty collaboration, improving research, and instructional capabilities with innovative tools and pedagogy.
